

## City of Scottsdale WestWorld General Manager

The City of Scottsdale is conducting a national search for a new WestWorld General Manager. This opportunity requires a visionary leader with a solid understanding of event and facility management. Specific emphasis will be on growing the brand, expanding existing events, and overseeing all operations. WestWorld operates as a stand-alone department within the Community Services Division for the City of Scottsdale and generates an annual revenue stream of approximately \$6 million, supporting both operations and administrative functions. The General Manager position reports to the Assistant Executive Director in the Community Services Division. The General Manager is responsible for the executive leadership, direction, and management of WestWorld, Scottsdale's nationally recognized multi-use event and equestrian center. The GM provides vision and leadership for all activities including administrative functions, business strategies, and establishing the strategic objectives of the WestWorld Department.

Requires a Bachelor's Degree and 7 years of experience highly responsible management in directing the operation and maintenance of a convention center, municipal community services department, or similar public assembly facilities, including strategic planning, organizing, and directing the activities within a department, to include preparing and initiating governmental budget and/or contract management and administration. Must have a minimum of 5 years of supervisory experience. An equivalent combination of education and job-related experience may substitute for the educational requirements on a year-for-year basis.

The annual salary range for this position is \$121,576 to \$176,779. The City of Scottsdale offers a benefit package including membership to Arizona State Retirement System.
